

MC/Speaker Testimonials

“Robin has an exceptional talent. His ability to keep things moving with a nice injection of good humour and attention to detail were a very important component of the conference’s success.”

Ted Atkinson

Chairman Australian Rotary Health Research Fund

Hearing Robin’s view on the emergency exit of an aeroplane, changed my attitude to flying completely.

David Jackson

International Pilot (since retired) Air New Zealand

As MC Robin gained a rapport with the audience and successfully kept the evenings flowing. He was able to ‘ad lib’ well when responding to speeches given by award winners and make them feel valued and welcome.

Gray Baldwin

Head of Business Development

BANK OF NEW ZEALAND

As an after dinner speaker Robin is a very hard act to follow.

Craig McBeth

Northern Area Manager ASB Bank

The content, presentation and delivery of Robin’s presentation were excellent. His presentation would be well suited to any group as it is light-hearted, fun and easy to relate to.
